

A115 - Thermal Liner

Collection: Thermal Protection Gloves

Range: HAND PROTECTION

Materials: Thermolite®, Elastic

Inner Pack: 12

Outer Carton: 480

Product information

13g thermal knitted liner suitable for use in cold conditions. Elasticated wrist for secure fit and comfort. Coral gaps in the fiber structure retains heat and makes it lighter. Ideal as an under glove.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risks of accidents and injury. Specially designed thermal protective gloves are available to combat these hazardous environments.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.

Standards

CE Cat 1

Features
