

### A115 - Thermal Liner

**Collection:** Thermal Protection Gloves

**Range:** Hand Protection

**Materials:** Thermolite®, Elastic

**Inner Pack:** 12

**Outer Carton:** 480

#### Product information

13 gauge thermal knitted liner suitable for use in cold conditions. Elasticated wrist for secure fit and comfort. Unique fibre structure retains heat and makes it lighter. Ideal to be worn as a liner in cold conditions.

#### Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risk of accidents and injury. Specially designed thermal protective gloves are available to combat these dangers in hazardous environments.

#### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products...

#### Standards

EN ISO 21420: 2020 Dexterity 4  
CE Cat 1
