

A124 - Grip 13 PU Diamond Knit Glove (Pk12)

Collection: General Handling

Range: Hand Protection

Materials: Polyester, Elastic

Dipping:

Outer Carton: 20

Product information

These gloves feature a diamond knit liner for superior breathability, comfort and dexterity. The smooth PU coating increases abrasion resistance, making them perfect for intricate tasks. With flexibility and strength, our gloves offer workers the confidence to handle tough tasks with ease. Sold in packs of 12 pairs.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
