PRODUCT SPECIFICATION & TECHNICAL DATASHEET

PV50 - Peak View Hard Hat Vented

Collection: Head Protection
Range: PPE
Materials: Polycarbonate, PE
Outer Carton: 20

Product information

Portwest exclusive design and Patented Model with innovative translucent shell to see through peak and sides: allows the wearer to look upwards without the need to tilt the head. Its extra strong yet ultra lightweight Polycarbonate shell offers protection from UV rays. Peak View features a 6-point textile harness with slip ratchet for size adjustment. Vented shell for extra air-flow.

Head Protection

Portwest’s head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Standards

EN 397 (-30°C/+50°C)
