

A135 - Tough Grip Glove

Collection: General Handling

Range: HAND PROTECTION

Materials: Polycotton, Elastic

Dipping:

Inner Pack: 12

Outer Carton: 144

Product information

Maximizing the strengths of both polyester and cotton, the base of this glove is a knitted liner constructed from a poly-cotton mix. A layer of super durable latex with a textured finish is then added to the palm and finger areas providing added protection and grip.

General Handling

The General Handling and Grip Glove category is still one of the most popular collections within Portwest's Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products.

Standards

EN 388:2016 +A1:2018 Standard Class (3131X)

EN ISO 21420:2020 (Dexterity 5)
