---

#### Product information

The lightweight abrasion resistant nitrile glove with open back for ventilation. Perfect for small parts handling. The construction in the glove helps reduce hand fatigue. The seamless liner allows for a more comfortable fit.

#### General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

#### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
