

A353 - DermiFlex Ultra Plus Glove

Collection: General Handling

Range: Hand Protection

Materials: Nylon, Elastane, Elastic, Polyester

Dipping:

Inner Pack: 12

Outer Carton: 360

Product information

The A353 has a dotted palm which enhances the grip and adds achieves the same palm protection as the A352. With additional protection against water, oil and grease due to the additional 3/4 dip compared to the A350. The breathable seamless liner is ideal for precision handling in dry environments.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
