Product information

Experience the ultimate comfort, dexterity, and sensitivity with our super light and eco-conscious glove. The 15g recycled polyester and elastane liner coated with soft nitrile foam ensures excellent grip in wet and dry conditions. It features a reinforced thumb crotch for added protection and durability. Compatible with most touchscreen devices, it offers seamless interaction without removal.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
