Product information

The PVC Knitwrist fully dipped working glove with knitted wrist and cotton interlock lining. It has a smooth finish with the highest abrasion resistance rating. The fully dipped glove allows for advanced water and oil protection.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
