#### Product information

Enhance safety and performance with the Vis-Tex Cut D13 Nitrile Glove. This glove features a high visibility liner and a super durable double dipped red sandy nitrile palm, ensuring it stands out. Crafted with a 13 gauge liner, it offers a great balance of toughness and dexterity. With its Cut Level D, the glove provides protection against high cut risks, while also offering Contact Heat Level 1 protection.

#### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
