Range: Hand Protection

Materials: HPPE, Steel Fibre, Glass Fibre, Nylon, Elastane

Dipping:

Inner Pack: 12

: 12

Outer Carton: 144

Product information

The CS Collection gloves feature a Cut Level C rating, offering a high level of protection. They are touchscreen compatible, allowing for convenient use of devices without removing the gloves. Additionally, a reinforced thumb crotch enhances durability and provides extra support in high-stress areas.

CS

Introducing the $CS^{\mathbb{M}}$ cut resistant hand protection collection. Packed with features such as touchscreen compatibility, reinforced thumb crotch and reflective labels for improved visibility in low light conditions. The $CS^{\mathbb{M}}$ collection is designed to provide the highest level of cut resistance whilst allowing the wearer to carry out tasks, safely and securely. This collection of eight gloves suit almost every working environment. Including an 18 gauge option for the highest dexterity, a latex coated option for optimal grip and a leather palm option for supreme heat protection. The CS collection ensures maximum safety when needed most.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
