Product information

The CS Cut D15 PU Glove delivers superior cut resistance, dexterity, and comfort, making it the perfect choice for precision tasks in high-risk environments. Designed with Cut Level D protection, this glove provides excellent defence against sharp objects while maintaining flexibility and control. Key Features:

- Cut Level D Protection - High-level cut resistance ensures safety in hazardous work conditions.
- 15-Gauge Liner - Lightweight and breathable for all-day comfort without compromising durability.
- PU Coating - Enhances grip and abrasion resistance for secure handling of tools and materials.
- Reinforced Thumb Crotch - Added durability in high-wear areas to extend glove lifespan.
- Touchscreen Compatible - Allows seamless use of mobile devices without removing the gloves. Ideal for automotive, manufacturing, construction, and precision handling, the CS Cut D15 PU Glove offers the perfect balance of protection, comfort, and functionality. Stay safe while maintaining productivity with this top-tier glove solution!

CS

Introducing the CS™ cut resistant hand protection collection. Packed with features such as touchscreen compatibility, reinforced thumb crotch and reflective labels for improved visibility in low light conditions. The CS™ collection is designed to provide the highest level of cut resistance whilst allowing the wearer to carry out tasks, safely and securely. This collection of eight gloves suit almost every working environment. Including an 18 gauge option for the highest dexterity, a latex coated option for optimal grip and a leather palm option for supreme heat protection. The CS collection ensures maximum safety when needed most.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
