Product information

CS cut resistant gloves offer maximum cut protection, radical low light visibility and premium cut glove features. A reinforced thumb crotch adds extra durability. Suitable for use with most touchscreen devices. The breathable 13-gauge liner ensures an excellent fit and dexterity, Nitrile foam palm coating offers outstanding grip in wet and dry conditions. Reflective label increases glove visibility in low light conditions.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
