Product information

CS hand protection offers maximum cut protection, radical low light visibility and premium cut glove features. A reinforced thumb crotch adds extra durability. Suitable for use with touchscreen devices. The breathable 18-gauge liner offers optimal dexterity and comfort. Nitrile foam palm coating offers exceptional grip in wet and dry conditions. Reflective label increases glove visibility in low light conditions.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
