Collection: Cut Resistant

Range: Hand Protection

Materials: HPPE, Glass Fibre, Nylon, Elastic, Steel Fibre, Cow Split Leather

Dipping:

Inner Pack: 12

Outer Carton: 72

Product information

CS cut resistant gloves provide cut level F protection. Leather palm makes this glove ideal for glass handling and working with hot items up to 100°C for short periods. 13-gauge liner ensures an excellent fit. Reflective label increases glove visibility in low light conditions.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
