Product information

Experience the ultimate in safety and performance with our advanced glove, expertly engineered to deliver unparalleled impact protection and extraordinary versatility. Specifically designed for low-energy impact protection, it safeguards against demanding tasks. Compatible with most touchscreen devices, this glove allows for seamless interaction without the need for removal. Made with an ESD liner to reduce the risk of electrostatic discharge in sensitive environments.

Impact protection

Hand injury is one of the most common and frequent complaints in the workplace. This collection of gloves provides vital protection against impact to the hand from multiple hazards.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
