Product information

This glove combines comfort, grip, impact, and cut resistance with a seamless liner for added comfort. Flexible PVC impact pods and a reinforced crotch ensure maximum durability, making it ideal for heavy-duty applications. The reinforced thumb crotch further enhances the glove's longevity and resilience.

Impact protection

Hand injury is one of the most common and frequent complaints in the workplace. This collection of gloves provides vital protection against impact to the hand from multiple hazards.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
