Product information

Specially designed for use in cold environments whether this is an indoor cold store or harsh outdoor winter conditions. Breathable waterproof membrane keeps the hands dry and reduces the risk of dangerous moisture build up. Elasticated knitted cuff ensures a comfortable and secure fit. Enhanced grip pads on the glove palm allows for secure grip in all conditions.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risk of accidents and injury. Specially designed thermal protective gloves are available to combat these dangers in hazardous environments.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
