Collection: PW3

Range: Hand Protection

Materials: Goatskin, Nylon, Elastic, Polyester

Inner Pack: 12

Outer Carton: 72

Product information

A durable and comfortable thermal glove designed for use in cold conditions. Premium quality leather palm provides exceptional durability. Constructed with a water resistant membrane ensuring hands are kept dry in wet conditions, while the Insulatex lining offers enhanced warmth. This glove can be used on most touchscreen devices.

PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
