Product information

Elevate your work with our 100% polyester seamless liner gloves. With an uncoated, 13-gauge liner, these gloves offer superior comfort and flexibility, making them ideal for jobs requiring fine motor skills and maximum tactile feedback. Whether you need precision or protection, our gloves are up to the task.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
