Product information

The PU palm glove is the ultimate choice for intricate tasks requiring maximum dexterity and breathability. Modelled on our best-selling A120 glove, our AB129 is sold in cartons of 288 pairs for maximum value. The 13 gauge liner ensures a perfect fit, while the open back design provides enhanced breathability, keeping your hands cool and comfortable all day long. With a PU palm coating, this glove offers exceptional grip and protection against oil and grease.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
