---

### **Product information**

Enhance your grip and protect your palms with our dotted palm glove. Ideal for precision handling in dry environments, it features a breathable seamless liner. This glove is a streamlined version of our flagship A351 glove, with reduced packaging and single colour branding, making it a more economical choice. Sold in packs of 12 for maximum value.

### **General Handling**

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

### **Hand Protection**

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
