

AB810 - Chem 320 Nitrile Essential Multipack (PK12)

Collection: Chemical Protection Gloves

Range: Hand Protection

Materials: Nitrile, Cotton

Outer Carton: 16

Product information

Experience superior grip and protection with our chemical-resistant gauntlet, featuring a textured pattern that enhances grip in wet or oily conditions. Flock-lined for added comfort, this gauntlet is suitable for use in chemical, oil, and food industries. This gauntlet is a streamlined version of our flagship A810 gauntlet, without individual packaging, making it a more economical choice. Sold in packs of 12 for maximum value.

Chemical Protection Gloves

Working environments using hazardous chemicals and substances can be extremely harmful to workers and the correct protection is a must. Portwest supplies a range of gloves which are fully tested and certified to protect from a range of chemicals.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
