Product information

Using innovative technology this glove completely repels water and heavy oils. Liquid placed on this glove is repelled and rolls off without touching the underlying surface. The twin liner traps heat and allows breathability. Sandy palm finish gives improved grip.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risks of accidents and injury. Specially designed thermal protective gloves are available to combat these hazardous environments.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
