

### AP15 - SG Cut B18 Eco Nitrile Glove (Pk12)

**Collection:** Cut Resistant

**Range:** Hand Protection

**Materials:** Recycled PET Polyester, HPPE, Glass Fibre, Nylon, Elastic, Polyester

**Dipping:**

: 12

**Outer Carton:** 20

### Product information

Introducing our sustainable PET bottle to glove concept. The recycled 18 gauge PET yarn has moisture-wicking properties for ultimate comfort. A unique knitting structure with a dropped little finger gives a snug-fit. With a very low carbon footprint value compared to other yarns, it is also TDM cut-resistant level B and ANSI cut-resistant level A2, making it a highly protective and eco-conscious choice. Plus, the micro-foam Nitrile coating offers 360-degree breathability and a touchscreen compatible index and thumb finger enhances productivity. Reinforced thumb crotch for extra durability.

### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....

### Standards
