Collection: Food Safe Gloves

Range: Food Industry

Materials: HPPE, Elastic

Dipping:

Outer Carton: 120

Product information

The Cut C 13 gauge HPPE food grade gloves are the perfect choice for those working in the food industry. These gloves offer excellent cut protection, while the nitrile coating provides an extra-strong layer of protection for enhanced durability. With a food grade rating, these gloves are designed to avoid any contamination to food items, ensuring a safe and hygienic environment.

Food Safe Gloves

The Food Safe glove range does not alter food on contact ensuring human health and product composition is protected. The range features disposable and non-disposable working gloves, promoting dexterity, durability and cut protection.
