Product information

Our FD chemical B latex gauntlet is specially designed for the food industry, with a high-quality latex construction that resists chemicals and solvents. The crinkle grip pattern enhances control and reduces the risk of slips and drops. The gauntlet style extends up to the forearm, ensuring complete coverage and protection. Perfect for a wide range of applications in food processing and handling.

Food Safe Gloves

The Food Safe glove range does not alter food on contact ensuring human health and product composition is protected. The range features disposable and non-disposable working gloves, promoting dexterity, durability and cut protection.
