

AP80 - Grip 13 Latex Foam Aqua Glove

Collection: Aqua Gloves

Range: Hand Protection

Materials: Nylon, Elastic

Dipping:

Inner Pack: 12

Outer Carton: 216

Product information

Featuring the latest innovation in double coating technology, the Liquid Pro offers maximum liquid protection. The smooth latex is fully coated before a second latex foam palm dip is applied, this process ensures maximum and superior grip is achieved. An elasticated wrist provides for a secure fit.

Aqua Gloves

The ultimate barrier to water, liquids and non-aggressive substances. The Aqua range includes both highly water resistant and water proof gloves.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
