**Outer Carton:** 48

---

#### **Product information**

The DynamicAir Baselayer Top is made out of our innovative moisture wicking fabric, that repels moisture away from the skin, with contrast stitching and seamless panelling for a modern design. The top is close fitting for optimal wicking performance and suitable for multi-season use.

##### **Baselayer**

Baselayer garments are made from a 100% Wicking Polyester which draws moisture away from the body keeping the wearer cool, dry and comfortable under exerting conditions. The garments are suitable for all levels of activity and can be worn as an extra thermal layer for workwear in cold weather or as a technical sports garment for added comfort and enhanced performance.

##### **All Weather Protection**

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
