Product information

The Bizweld FR Cargo Pants offer protection against the thermal hazard of electric arc and guarantees flame resistance for the life of the garment. These modern pants have an elastic waist band for comfort and ease of movement. A range of ample pockets allow for convenient storage.

Bizweld® Work

The garments in the Bizweld® Work Flame Resistant range have been specially designed to guarantee comfort, performance and safety whilst providing effective function at all times. This range has been rigorously tested to ensure total compliance with the latest international standards.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
