#### Product information

Offering complete protection all day long and fantastic value for money, the Safe-Welder Coverall is a great choice for welders and industrial workers who are exposed to heat. The side elastic gives the wearer a more comfortable fit and multiple pockets keep tools and personal belongings safe.

##### Safewelder Woven

This fabric is 100% preshrunk cotton drill with a unique flame resistant finish.

##### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
