Product information

The WX2 Eco Hi-Vis Hybrid Baffle Jacket is unique for its distinctive design, with stretch contemporary contrast panels. The 2-layer GRS water-resistant and windproof fabric mixed with GRS polyester ripstop outer and GRS insulation, balances warmth and comfort. Retro reflective tape allows for increased visibility.

WX2

WX2™ is a new eco-conscious workwear collection. All products are constructed using GRS recycled fabrics and are available in a number of colourways allowing wearers to choose a colour to suit their professional environment.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
