Product information

21 gauge cut A3 glove, free from glass and steel fibers for ultimate comfort during long periods of wear. Ultra-thin material provides unmatched dexterity and second-skin feel for precision and control in complex tasks. This glove offers the perfect combination of safety, comfort, and precision for those who demand the very best in hand safety.

CT

The CT collection of cut resistant gloves is unlike any other offering on the market. Using innovative fabrics and production techniques, these gloves are uniquely comfortable, ultra-light, breathable and flexible.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products.
