CTP

Introducing the CTP collection of cut resistant gloves. State-of-the-art production techniques ensures that these gloves contain no glass or steel fibers while offering excellent levels of cut resistance. This new premium collection comprises of six new styles; five gloves and one protective sleeve. Certified to the EN388:2016 standard, this collection offers outstanding cut protection levels from Level C up to the highest Level F. Under the American ANSI standard the levels range from A3 to A8. The Portwest CT3 collection is ideal for sensitive skin, offering premium hand protection for the 21st Century.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.
