

CT67 - CT Cut F13 Nitrile Glove

Collection: CT

Range: Hand Protection

Materials: DyUltra™, Polyester, Elastic, Elastane

Dipping:

Inner Pack: 12

Outer Carton: 144

Product information

Designed to achieve maximum Cut Level F protection, the CT67 is constructed using state-of-the-art techniques ensuring it is free from glass and steel fibres while not compromising on cut resistance. The breathable 13 gauge liner ensures an excellent fit and the nitrile foam coating offers excellent grip in wet and oily conditions.

CT

Introducing the Portwest CT collection of cut resistant gloves. State-of-the-art production techniques ensures that these gloves contain no glass or steel fibres while offering excellent levels of cut resistance.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products...
