Product information

The DX4 Insulated Bodywarmer uses a body-mapped design to balance insulation and freedom of movement. Hard wearing polyester stretch front and back panels are padded with Insulatex to keep the core body area warm. Two zipped chest pockets, side entry pockets and internal pocket offer plenty of secure storage space.

DX4

Stretch your limits with Portwest's dynamic workwear collection. This contemporary collection combines all the technical features required of modern workwear, with many clever innovations to ensure the wearer achieves maximum function and style. The DX4™ collection combines high performance stretch fabrics with robust oxford panels to provide unparalleled ease of movement and supreme flexibility. What defines this collection is the cutting edge designs which allow for a full crossover from work to leisure activity.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
