Product information

The DX4 Detachable Hi-Vis Holster Shorts are our newest addition to the DX4 range and are a great summer alternate of the DX442. The DX446 is ergonomically designed and uses the targeted placement of dynamic 4-way stretch fabrics to give maximum range of movement when working. The short features a high-rise back waistband with side elastics ensuring protection in all working positions, generously sized front pockets and multi-functional zip thigh pockets offers secure storage as well as detachable holster pockets for additional storage and convenience. As with all our workwear the seams are triple stitched throughout for maximum durability.

DX4

Stretch your limits with Portwest's dynamic workwear collection. This contemporary collection combines all the technical features required of modern workwear, with many clever innovations to ensure the wearer achieves maximum function and style. The DX4™ collection combines high performance stretch fabrics with robust oxford panels to provide unparalleled ease of movement and supreme flexibility. What defines this collection is the cutting edge designs which allow for a full crossover from work to leisure activity.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
