Product information

The DX4 Zip Base Layer Top is lightweight and breathable which assists with perfect body temperature control. The high stretch, highly durable nylon fabric complements the body mapped design. Offering raglan sleeves for fluid movement and comfort. The full front zip with chin guard has a rubber puller for easy grip. The zipped hand and chest pockets are ideal for securely storing smaller items.

DX4

Stretch your limits with Portwest's dynamic workwear collection. This contemporary collection combines all the technical features required of modern workwear, with many clever innovations to ensure the wearer achieves maximum function and style. The DX4™ collection combines high performance stretch fabrics with robust oxford panels to provide unparalleled ease of movement and supreme flexibility. What defines this collection is the cutting edge designs which allow for a full crossover from work to leisure activity.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
