Product information

The EV4 Holster Trouser provides an enhanced ergonomically design and uses the targeted placement of lazer cut ventilation to provide maximum range of ventilation when working. The trouser features a high-rise back waistband with side elastication, ensuring protection in all working positions. Pre-bent top loading adjustable knee pad pockets, generously sized front pockets and multi-functional zip thigh pockets offers secure storage of phone, pens and tools. Triple stitching throughout for maximum durability.

EV4

Take full control of your comfort and protection by layering products that work in harmony with each other to offer extreme protection.

Workwear

The workwear collection offers a range of designs and fittings suitable for many end uses. Only the best quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigors of everyday wear, each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
