Product information

The EV4 Shell Jacket uses dynamic stretch that offers maximum waterproof, windproof and breathable protection for year round. The ergonomic profile and raglan sleeves allow for an unrestricted range of motion and greater freedom of movement. Its longer back length, wind cuffs and adjustable hood provide extra protection against the elements.

EV4™

When it comes to facing tough working conditions, your workwear is your first line of defence. That's why we have developed EV4™, a groundbreaking workwear collection designed to provide unparalleled protection in extreme weather.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Standards
