

EV461 - EV4 Winter Parka

Collection: EV4

Range: All Weather Protection

Shell Fabric: Portwest Extreme Waterproof: 100% Polyester Stretch, 150D, PU Membrane

Outer Carton: 6

Product information

The EV4 Winter Parka uses dynamic stretch and highly insulating fabric that guarantees warmth and comfort. The ergonomic profile allows for an unrestricted range of motion and greater freedom of movement. Its longer back length, wind cuffs and adjustable hood provide extra protection against the elements.

EV4

Take full control of your comfort and protection by layering products that work in harmony with each other to offer extreme protection.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigors of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
