Product information

The EV4 Hi-Vis Shell Jacket uses dynamic stretch fabric that offers maximum waterproof, windproof and breathable protection at a EN343 4.4 level, for year round wear. The ergonomic profile and raglan sleeves allow for an unrestricted range of motion with greater freedom of movement. Its longer back length, wind cuffs, removable helmet compatible hood with 3 point adjustment system and toggle adjustable hem provide extra protection against the elements. Fabric is durable with added abrasion resistance at elbows. The narrow triple stormflap protects the zip and ensures full waterproofness.

EV4™

When it comes to facing tough working conditions, your workwear is your first line of defence. That's why we have developed EV4™, a groundbreaking workwear collection designed to provide unparalleled protection in extreme weather.
