Product information

Iona Plus

Iona Plus is the latest evolution of directional workwear to deliver maximum performance, comfort and functionality. Products are designed to offer enhanced user visibility with lightweight flexible HiVisTex Pro segmented reflective tape and contrast fluorescent trim. A selection of complementary designs and advanced construction techniques have been used, guaranteeing choice, flexibility and ultimate wearer durability.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
