---

#### Product information

This eco-conscious safety trainer offers 100% recycled textile upper, and fully recycled footbed and laces. It is 100% non-metallic, has a composite toecap, puncture resistant non-metallic midsole and dual density PU/PU outsole for superior grip and energy absorption. This meets the S3 standard making it a water resistant upper.

#### CompositeLite

An exceptional range of safety footwear which is lightweight, flexible and metal free. Portwest Compositelite footwear contains non metallic protective fibreglass toecaps and/or non metallic protective midsoles.

#### Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
