Material Upper: Smooth Action Leather.

Material Outsole: PU/PU

Outer Carton: 12

Product information

With sleek and sophisticated styling, the Compositelite perforated safety trainer includes specially positioned perforated panelling for added air-circulation and breathability. The smooth split leather upper is perfect for dusty conditions and can be easily wiped clean. Metal free and lightweight makes this style perfect a number of industries.

CompositeLite Ultra

Ideal for construction, utilities and public services. Unrivalled protection, comfort, support and style that won't let you down.

Foot Protection

Innovation, quality components, styling and expert construction define the Portwest footwear collections.
