Product information

This S1 composite shoe comes with a high abrasion toe bumper, as well as a metal free, composite toecap, which ensures the foot is protected. Strong and flexible construction allows long lasting use in the working environment.

CompositeLite

An exceptional range of safety footwear which is lightweight, flexible and metal free. Portwest Compositelite footwear contains non metallic protective fibreglass toecaps and/or non metallic protective midsoles.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
