Product information

This safety trainer features a composite toecap, puncture-resistant textile midsole, and a dual-density PU/PU outsole for superior grip and energy absorption. The seamless, knitted upper is crafted from a single piece of textile with a padded collar for added comfort. Additionally, it offers ESD protection for enhanced safety in sensitive environments.

CompositeLite ESD

Quality non metallic safety components and enhanced outsole properties for excellent grounding of static build up that may damage sensitive electronic components.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
