Product information

The FC39 Steel Nubuck S3 Ankle Boot sports a stylish silhouette comprising of a robust and durable full grain nubuck upper. Boasting a twist action wire fastening system, this boot also features a scuff cap, a double sewn counter and a bellows tongue to keep out dirt and debris. Specifications also include a durable PU and Rubber midsole and HRO outsole combination, as well as a cushioned footbed for day long comfort and support.

Wire Lace System

The innovative wire lace system is designed with double strength wire for excellent durability. Features include a raised texture on dial for better fastening grip, rubberised dial chassis for better abrasion and a quick release push/pull locking clasp. Engineered central cavities aids wire tension across the vamp of the shoe and is specially positioned on the shoe to ensure a levelled, all-over, comfortable fit.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
