Product information

Combining comfort, ankle support, unrivalled anti slip properties and the finest materials and components, the Compositelite Traction Safety Boot is a revelation in footwear construction. Lightweight construction with fastening zip, S7L water resistant leather and a waterproof and breathable membrane to keep feet dry in the harshest of conditions. Specially designed PU/Rubber outsole offers superior slip resistance and stability in the most demanding of conditions.

Portwest® Pro

A premium range of safety footwear manufactured using only the best materials and components. Constructed to provide unbeatable comfort, support and flexibility, this range is designed to protect your feet in the toughest environments.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
