Product information

Alongside our popular microfibre range, we are introducing the FD62 Compositelite Slip On Safety Trainer. This metal free model includes an antimicrobial lining, a footbed and a wipe clean upper. The slip-on silhouette aids an easy clean surface, reducing the possibility of contamination. This style is available in both black and white colourways, perfect for food, pharmaceutical, catering and hospitality industries.

CompositeLite™ Microfibre

High quality machine washable footwear with non metallic protective components for enhanced safety. Lightweight and breathable design with excellent slip resistance and self cleaning sole.

Foot Protection

Innovation, quality components, styling and expert construction define the Portwest footwear collections.
